

CURRICULUM VITAE

IRA OCKENE, MD

Business Address:

Division of Cardiovascular Medicine
University of Massachusetts Medical School
55 Lake Avenue North
Worcester, MA. 01655
Telephone: 508-856-3907
Fax: 508-856-4571

Education:

BS, City College of New York, 1962
MD, Albert Einstein College of Medicine, 1966

Hospital Appointments:

1966-1967	Intern (Medicine) NYU Division, Bellevue Hospital, New York City
1967-1969	Resident (Medicine), Bronx Municipal Hospital Center, New York City
1969-1970	Resident (Cardiology), Mount Sinai Hospital, New York
1970-1972	Chief of Cardiology, U.S. Army Hospital, Fort Carson, Colorado
1972-1974	Research Fellow in Cardiology, Peter Bent Brigham Hospital, Boston, MA.
1974-1975	Junior Associate in Medicine, Peter Bent Brigham Hospital, Boston, MA.
1975-1986	Director, Cardiac Catheterization Laboratories, University of Massachusetts Medical Center, Worcester, MA.
1985-	Associate Director, Division of Cardiovascular Medicine, Department of Medicine, UMass Memorial Medical Center, Worcester, MA.
1987-	Director, Preventive Cardiology Program, UMass Memorial Medical Center, Worcester, MA.

Academic Appointments:

1972-1974	Research Fellow in Medicine Harvard Medical School
1974-1975	Instructor in Medicine Harvard Medical School

1975-1978	Assistant Professor of Cardiovascular Medicine University of Massachusetts Medical School
1978-1984	Associate Professor of Medicine University of Massachusetts Medical School
1984-	Professor of Medicine University of Massachusetts Medical School
1975-	Affiliate Professor, Biomedical Engineering Worcester Polytechnic Institute
1998-	Adjunct Professor, Department of Biostatistics and Epidemiology School of Public Health and Health Sciences University of Massachusetts at Amherst
1999-	Adjunct Professor, Department of Nutrition School of Public Health and Health Sciences University of Massachusetts at Amherst
2001-	David and Barbara Milliken Professor of Preventive Cardiology University of Massachusetts Medical School
2006-	Adjunct Professor of Health Sciences Universidad San Francisco de Quito Quito, Ecuador

Committees:

University of Massachusetts:

Committee on the Protection of Human Subjects in Research (Chairman)
(1978-1992)
UMass Medical School Tenure Committee (2000 -
Educational Policy Committee (1988-1990)
Hospital Executive Committee, At-Large Member (1981-1983)
Nutrition Committee
Admissions Committee (1977-1979)
(interviewer for Admissions committee 1979-1990)
Pharmacy and Therapeutics (1977-1980)
Intensive Care (1977-1982)
Scientific Computing (1981-1982)
University-Information Task Force (1982)
Educational Policy Subcommittee-Pharmacology (1979-1980)
Telecommunications (1984- 1988)

Clinical/Teaching Responsibilities:

Cardiac catheterization laboratory attending
Coronary Care Unit attending
Cardiology Consultation Service attending
Medical Service attending
Outpatient clinics in general cardiology and preventive cardiology
Teach various sections in all four years of the medical school and in the residency
and fellowship programs, with special emphasis on prevention of coronary
heart disease

Extramural Activities:**National Institutes of Health**

Member, NIH Study Section – Behavioral Medicine, 1990-1993
Ad hoc Grant Reviewer, NHLBI, 1983 - present
Ad hoc Grant Reviewer, NIDDK, 2006 - present
Chair, ad hoc review groups, NHLBI, 1997, 1998, 2000
Member, NHLBI Working Group on Adherence to Medical and Lifestyle Interventions, 9/99

Centers for Disease Control

Consultant to the Centers for Disease Control on the scientific basis for the hazards of environmental tobacco smoke (1992)

Office of the Surgeon General

Consultant, for the 1989, 1990 Surgeon General's Reports on Smoking and Health

United States Department of Justice

Consultant in cardiovascular disease – Tobacco Litigation Team (2001- 2006)

National Quality Forum

Co-Chair, Improving Use of Prescription Medications: A National Action Plan, Washington D.C. October 2004
Therapeutic Drug Management Quality Project, 2006 -
Chair: Decision Making Technical Advisory Panel;
Member: Education & Adherence Technical Advisory Panel;
Member: Project Steering Committee

American Heart Association:

Fellow, Council on Nutrition, Physical Activity and Metabolism
Fellow, Council on Clinical Cardiology
Fellow, Council on Epidemiology and Prevention
Member, AHA Task Force on Risk Reduction
Member, AHA Task Force On Managed Care
Member, AHA – Pharmaceutical Round Table (1998 - 2005)
Member, AHA Practice Guidelines Committee
Member, AHA Integrated Communication System Advisory Panel (2000 - 2002)
Member, AHA Disease Management Strategic Group (1999 – 2000)
Chair, Disease Management Strategic Group (6/2000 – 6/2001)
Co-Chair, AHA Scientific Conference on Compliance in Healthcare and Research, Waltham, MA May 1999
Co-Chair, AHA Scientific Conference on Compliance in Healthcare and Research, Washington, DC May 2004
Co-chair, Cholesterol Education Task Force, AHA Massachusetts Affiliate (1995-97)
Member, Heart Health Education in the Young Task Force, AHA, Central Massachusetts Division (1990–97)
Member, Executive Committee, Council on Epidemiology and Prevention, American Heart Association (representative of the Society of Preventive Cardiology) 1990-1991
Affiliate Faculty for Basic Life Support and Advanced Life Support

Other Extramural Activities:

Member, Prescription Drug Value Project of the Alliance of Community Health Plans. (2003-2005)

Member, Blue Cross/Blue Shield Medical Advisory Committee (2005-)
Emerging science of Lipid Management - National Faculty 2006-2007
Convergent Health Technologies

Societies (other than AHA):

President, Society of Preventive Cardiology (1990-1991)
Fellow, American College of Cardiology
Fellow, Society of Behavioral Medicine
Fellow, American College of Chest Physicians
Fellow, Society for Cardiac Angiography
Association for the Advancement of Medical Instrumentation
National Council for International Health

Journal Reviewer:

American Journal of Preventive Medicine
American Journal of Public Health
Annals of Internal Medicine
Archives of Internal Medicine
Chest
Circulation
European Heart Journal
JAMA
Journal of the American College of Cardiology
Journal of the American Dietetic Association
New England Journal of Medicine
Psychosomatic Medicine
Preventive Cardiology
Nutrition

Editorial Board

Circulation
Preventive Cardiology
Cardiology
Nutrition in Clinical Care

Grant Support:

(multicenter pharmaceutical industry supported studies are not included)
Thrombolysis in Myocardial Infarction
Co-Principal Investigator; 45% effort,
NHLBI, 10/85 - 7/83-8/86 (Joel Gore, M.D., P.I.)
A Randomized Study of Outpatient Cardiac Catheterization
The Blue Cross/MHA Fund for Cooperative Innovation
Co-Principal Investigator; 10% effort, 3/85 - 3/87
Direct costs \$170,000
Preventive Cardiology Academic Award
Principal Investigator
NHLBI, 60% effort 7/1/87-6/30/92
Direct costs \$720,950
Smoking Cessation in Patients with Cardiovascular Disease
Co-Investigator; NHLBI, 15% effort 10/85 - 9/88
Do Fish Oils Prevent Restenosis Post-Coronary Angioplasty?
Co-Investigator; NHLBI, 10% effort 6/1/89 - 5/30/93
(Bonnie Weiner, P.I.)

Evaluating Clinical Skills in Preventive Cardiology.
 Co-Investigator; NHLBI, 7/1/89 - 6/30/92
 (Jeff Levenkron, Univ. of Rochester, P.I.)

The Influence Of Environment On Cardiovascular Risk Factors In
 Consanguineous Urban And Rural Highland Indians Of Ecuador.
 Principal Investigator, BRSG, 1/1/90 - 1/1/91

Physician's Role in Lowering Elevated Lipids by Diet (WATCH)
 Principal Investigator; NHLBI, 30% effort 1/91 - 12/95
 Direct costs \$2,589,990

Cholesterol Lowering Effect of a Modified AHA Step I Diet Containing Cardiobar
 in Moderately Hypercholesterolemic Subjects over age 45
 Principal Investigator; Ross Laboratories, 10% effort - 1/1/94 - 2/6/95
 Direct costs \$187,365

Seasonal Variation of Blood Cholesterol Levels (R01 HL52745)
 Principal Investigator; NHLBI, 20% effort - 7/1/94 - 6/30/98
 Direct costs \$1,592,379

Seasonal Variation of Blood Cholesterol Levels
 Minority Supplement Award to Dr. Milagros Rosal (Ira Ockene, M.D. -
 P.I.) 1995-1998 R01 HL52745-02

Cholesterol Lowering Effect of a Modified Cardiobar in Moderately
 Hypercholesterolemic Subjects over age 50
 Principal Investigator; Ross Laboratories, 10% effort - 1/1/96 - 3/31/97
 Direct costs \$165,721

Womens' Health Initiative
 Co-Principal Investigator; NIH, 5% effort 1994 - 2005
 (Judith K. Ockene, P.I.)

The Effect Of Soy Preparations On Blood Lipid Levels in Moderately
 Hypercholesterolemic Subjects
 Principal Investigator; Central Soya/Archer Daniels Midland; 1/98-7/98;
 Direct costs \$110,000

Systems to Enhance Provider Counseling in Hyperlipidemia (WATCH II) (R18
 HL44492-05A1)
 Principal Investigator; NHLBI, 25% effort 4/98-5/02
 Direct costs \$1,713,569

Effect Of an Alcohol-washed Soy Protein Concentrate on Blood Lipids in
 Moderately Hyperlipidemic Men and Women (SOY II)
 Principal Investigator; Central Soya Corporation; 1/00-12/00;
 Direct costs \$200,000

Effects of flaxseed oil on men and women with high triglycerides
 Principal Investigator; North Dakota Oilseed Council; 5/01-11/01; \$5000.00

Improving Adherence To Pharmacological Treatment (1 R01 HL66786-01)
 Principal Investigator; NHLBI, 20% effort - 9/30/2000 - 08/31/2004
 Direct costs \$1,300,000

Consultant, Evaluation of the Medicare Lifestyle Modification Program
 Demonstration. HCFA, 2000-2008, Donald Shepard, Brandeis Univ, P.I.

Determinants of C-Reactive Protein (1 R21HL076796-01)
 Principal Investigator; NHLBI 04/1/04–03/31/06

The Lawrence Latino Diabetes Prevention Program (1 R18 DK67549-01)
 Principal Investigator; NIDDK, 25% effort – 7/1/04 – 5/31/08
 Direct costs \$2,355,000

Diabetes Management for Low-Income Hispanic Patients (1 R18 DK06598501A1;
M. Rosal, P.I.) NIDDK
Co-Principal Investigator, 9/01/04 – 08/31/08

Dietary Glycemic Load, Body Weight, and Blood Lipids (1 R21 HL074895-01)
(P.I., Yunsheng Ma), Co-Principal Investigator, NHLBI 04/1/04–03/31/07

Reducing Risk Factors In Peripheral Arterial Disease R01- HL073912
Principal Investigator; NHLBI, 10% effort - 9/1/2005 - 08/31/2009

Markers for Type 2 Diabetes and Aptamer Array Diagnostics (1 R21 DK074027-
01) Principal Investigator (partnership with Montana State University); NIDDK, 4%
effort – 2005-2007

Board Certification:

Internal Medicine, 1971
Cardiovascular Disease, 1973

Military Service:

Major, U.S. Army
Chief, Cardiology Service
U.S. Army Hospital
Fort Carson, Colorado, 1970-1972
